

Dr. Jaroslav Marsalek

It is with great sadness and at the same time deep gratitude that we say goodbye to Jaroslav „Jarda“ Marsalek, a beloved friend and colleague, who left us on July 12, 2024 after a long illness. For many of us, Jarda was a reliable companion, whose calm way brought a special quality into all of our lives.

His ability to bring stability and consistency to an often hectic and chaotic world was unique. Jarda was a master at creating an atmosphere of trust and calmness by his presence and enormous expertise. His way of working and living was characterized by a quiet but deep commitment to precision and reliability.

He was not only a valued colleague, but also a very good friend who will always remain in our fond and pleasant memories.

Throughout all the years of collaboration, Jarda demonstrated tireless dedication and care that continually impressed and inspired us. He leaves a void that cannot be filled, but his memory will always be with us.

With deep gratitude and with a heavy heart we say goodbye to Jarda Marsalek. Rest in peace."
